One of the most fulfilling extra curricular activities at St. Peter's is for you to become involved in the service of God at daily and weekly masses and other devotions. All you need is your **enthusiasm, dedication, reverence, sincerity and a sense of responsibility** to become a St. Peter's Parish Knight of the Altar.

- If you are interested in becoming an altar server, discuss it with your parents and indicate below.

\_\_\_ Yes, I am interested in learning to become an altar server.

Please abide by the schedule that will be given. **If you can not serve a Mass that has been scheduled for you, please get your own substitute.** There should not be any Masses with less than 5 servers. To be a server, you must take the responsibility to be there and be in the church 20 minutes before Mass to light candles, get incense' ready, etc. Then prepare yourself for Mass.

Please return this form as **soon as possible.** Mail, drop off at parish office, school office, or place in collection basket at church, by September 1. We need this form to add you to the altar server list. Please note there may be other training sessions to continually update & refresh your training.

Please indicate which Mass you would prefer to serve. We will do our best to serve you.

Eventually we will put them on the schedule so please indicate which (any) Mass you prefer to have your new server serve when he/she is experienced enough to serve any Mass. Training for the new altar servers will occur at the September 17th meeting.
